2007/2008 SEASON IN REVIEW

KNOX GARDENS CRICKET CLUB

Presidents Report

I'd like to thank the committee and the members of the Knox Gardens CC for the opportunity and honour of leading the club this year. In a Year that has had significant challenges I am proud of our efforts on many fronts.

The season started some 8 months ago with a new Senior Coach in place, a record number of Junior Teams, with Council approval for a grant to improve our Training set-up, with a major Council infrastructure project to improve our main ground and of course much hope regarding our potential for a Winning Season in many grades.

The off Season had seen much work and the new Season would require an enormous effort to be able to allow the club meet internal expectations while basically being housed in a temporary facility down at Llewellyn reserve. This single issue alone was always going to test our resolve as a committee and a club.

Our progress in improving our facilities has been the critical achievement this Season and it is important to recognize the support we enjoy from our Local councillor David Cooper (Scott Ward), Council officers; Mark Stockton, Heather O'Callaghan and Rod Lintott as well as their Teams plus local MP support from the State shadow Treasurer – Kim Wells and Federal member Chris Pearce.

The committee met every challenge head on in our endeavours to create a home away from home. The enormous amount of planning and around (\$2000) was spent plus there was a huge amount of work and hours put in by Jason Buljubasic, who has to be acknowledged as he worked himself into the ground (when he wasn't landscaping Hancock's). There was also a lot of work put in by Greg Howe's, Andrew Hawkes, Dave Thomas & Dave Hancock plus selected members of the committee and playing group to dress up the damaged, dirty & dilapidated pavilion at Llewellyn.

2 New cricket pitches (\$6000) went down and all of a sudden we were underway. New uniforms for all of the clubs 16 Teams were created (\$8000) and we looked the part. A pre-season program was partly and at times poorly supported in many grades but our New club coach, Chris Amos managed to pull together a good preparation and our playing group's hopes were high. A new club captain was appointed and we welcomed Travis Mulder back to the fold.

From a Junior perspective our Junior clinic was poorly supported on a cold and windy day at Llewellyn but after it was all said and done we still managed to have our highest number of Junior Teams for years with a good quality of team in place in most grades. New junior coaches in Joe DeVenuto (U/13 A), Lee Metherell (U/17B) and Ian Jongen (U/11) were in place and as has been the case in the past David Hancock volunteered to look after our new U/13 Black team. We also had 8 players complete their Level 1 accreditation, a \$1000 expenditure invested in helping our club to provide the Best support possible for Junior cricket.

By end of November we had 4 Junior Teams travelling well, 4 Senior sides promising Finals action and 2 veteran's teams also travelling well. We also had our New net complex up and running, thus giving our club the most modern and safest training facility in the Competition..... an investment of \$35,000 in club funds (+ a council grant) in securing the clubs future. We received a \$10,000

2007/2008 SEASON IN REVIEW

KNOX GARDENS CRICKET CLUB

grant from the City of Knox but our promised \$25,000 from Local Federal MP Chris Pearce did not eventuate when a Labor government was elected.

Pre Xmas we successfully ran our \$2500 Cash draw and achieved a great result with once again a disappointing attendance. Talking poor attendance we also celebrated the remarkable career of a club legend with the retirement of Rhys Marget but were embarrassed to only have 50 people turn up. The sportsman's Night was also a great financial success but again poorly supported.

As always our Christmas cocktail party function ran with reasonable support and a good night was had by all.

January saw a strong Knox Gardens contingent active in Rep Teams. We had Jayden Hawkes and Josh Wylde play in the successful FTGDCA Mitchell Cup (U/12) Team which was brilliantly managed by Andrew Hawkes, Scott McInerney played in the David Hancock coached FTGDCA Russell Allen Shield, Ash Hawkes (Malvern) and Rob Howes (Bayswater) played hatch (U/15 State Championship), Michael Hutchins FTGDCA U/16's and Wayne McInerney (Outer East U/18's). At a senior Level Adam Wild was chosen for the FTGDCA to play in country week where he accounted for himself with great success.

Following the Xmas break the wheels fell off some of our senior sides and much of our Preseason optimism was shattered when our 1st and 4th X1's lost some games that perhaps they needed to win.

Our U/15's coached by Dane and our U/13A sides continued on their winning ways to set up dates with destiny. Our 2 Vets sides continued their winning ways to both make Finals.

At the business end of the Season, we saw 2 Junior sides, 2 Senior sides and 2 Vets sides make Semi Final appearances. This then eventuated in 4 Grand finals appearances but for the 1st time in many years The Knox Gardens CC trophy cabinet had no new editions.

It should be said that to make Finals is an achievement in itself. To play in a GF is in many ways a Win, so it is important to acknowledge the efforts of the Coaches, Captains, players & supporters in achieving what we did.

Off the Field it has been an extremely challenging year and without the HUGE efforts of the Committee members we would not have had the stability that we had. Their efforts by were truly magnificent.

Notably, specifically and importantly I would like to **THANK**:

- We would not have the security or stability without the Accounting & Financial skills and persistence of Rob Cottle.
- The Club socially would be a lonely place and missing real passion without the tireless work of Rhys & Dave Thomas who epitomize the heart and soul of the club. Their work around the club can go unnoticed by many but is Herculean.

KNOX GARDENS CRICKET CLUB

- On the Junior front, Andrew Hawkes gives of himself like no other. His Friday night and early Saturday morning starts to setup, attendance with Dave Thomas at Association meetings, time spent organising coaches, parents & teams plus simply mucking in with club activities needs to be recognized.
- As always David Hancock has over extended himself to run a Girls program, our Milo program, coached the FTGDCA U/14 rep team and also coached the U/11's & U/13's.
- Ben McLean who created our Sensational Falcons website and managed the clubs Senior player data & registration plus also helped significantly with the club's administration.
- Greg Howes & family who contributed significantly to our club functions and also in helping to run the juniors.
- As mentioned earlier the work that Jason put in on the Llewellyn setup, clubroom improvements, ground improvements and the Net project was significant and greatly appreciated.
- To the Captains and coaches of all Teams I thank you for the time that you have given up and for the sacrifices made. I also want to thank your partners and families for accepting the impacts of your efforts.
- I'd also like to thank the ladies, Helen & Anne who regularly pitched in and helped with our Fundraising activities.
- Finally I'd like to recognize the efforts of Club coach Chris Amos, who in his 1st year at the club has worked tirelessly to bring a programmed set of activities and create an opportunity for all players to improve. He has ably been assisted by Ray Philips as Chairman of selectors who has become a very important cog in our Future success. I'd like to thank Kaye & Mandy their very understanding wives who as always supported the guy's investment in time for our playing group.

The club has some challenges ahead most notably shaking off the perception that it is difficult to regularly attract large interest in club activities both within the Junior and Senior club.

This Season we have battled the impact of not having our main ground available, we have not had the crowds we would hope for at functions, we have had to cope with losing **over \$3000** in Theft after break-ins at both our clubrooms and Llewellyn. We have invested **over \$50,000** in "one off" expenses such as the New Training facility, cricket pitches, coaching accreditation, uniforms, and Pavilion improvements. We have also suffered significantly from reduced bar takings and canteen due to being located at Llewellyn.

Having started the Season with a Bank balance of \$22,000 we have managed our funds well to end with a bank balance in the vicinity of \$5,000 by seasons end. Given our "one off" expenses and the significant impact of being at Llewellyn, this is a sensational result, giving the club improved facilities, a New main ground and New pitch, plus now 3 other grounds all with new wickets to support our future growth and a solid base for our future.

The club is now set to enter a New Season well equipped to focus on returning to our Winning ways and to have an agreed controlled focus on moving our 1st X1 to be a Premiership side in Decoite shield and have even greater success for the future.

KNOX GARDENS CRICKET CLUB

I would like to challenge our players young and old to understand what has been provided for you through the efforts of the loyal band of Knox Gardens members who support the vision of our club being a powerhouse in the Local competition.

With undisputedly the BEST ground and facilities in the Eastern suburbs it is time to deliver in 08/09 and nothing short of 5 flags from our Seniors & Juniors plus Veterans flag would be an acceptable result.

I would also challenge our Senior players to get involved in recruiting and also ask that our football contingent network their mates to help drive our Senior team numbers to 6 next season (4 in 2 day grades & 2 in 1 day grades). From a Junior perspective I hope that we can field 6 Saturday Teams in U/13, U/15 & U/17 and maintain our 3 U/11's and potentially have a girls U/11 team or U/13 Team next year. Looking at our Vets group I would hope that we can have 2 sides again in 08/09.

The club also needs more Junior coaches and over winter I would ask some of our senior players to complete their Level 1 accreditation and start to get involved.

The decision to achieve this and much much more rests with you and I would ask that we challenge our culture, increase our support and work ethic to be a **Club of Commitment** in what will be a Milestone year.

Congratulations to all trophy winners and Team of the Year awardees for your contribution to club success.

See you again next Year.

Bill Leane
President

KNOX GARDENS CRICKET CLUB

Interim Treasurers Report

The current season has been difficult financially with the Club trading at Llewellyn and Knox Gardens Reserve. This has resulted in lower bar/canteen turnover.

The Club has upgraded the practice facilities at a cost of \$35,000 financed by \$20,000 from prior bank balances, \$10,000 council grants and the balance from 2008 trading year.

In addition 2007/2008 saw new player shirts provided for the whole Club, at a cost of \$7,000. Sponsorship levels are similar to the prior year, the Club is grateful for their generous support.

At the completion of the season there will be a small bank surplus, with the best facilities in the competition, however greater support from members will be required to enjoy the hard work undertaken this year.

R.A. COTTLE

Treasurer

11 March 2008

KNOX GARDENS CRICKET CLUB

2007 / 08 Junior Coordinators Report

So, second year in the role and it didn't get any easier. A change in Club President saw a hard drive to improve facilities and opportunities around the club and didn't allow much rest for the committee.... The main Knox Gardens ground was unavailable for the season which saw Llewellyn Reserve play a major part in our fixturing this season. We kicked off again with a Junior Clinic, and although reasonably well attended, the benefits are not being realised from this activity. A last minute addition of a third under 13 team saw us register nine Junior teams – two in under 17's, one under 15, three under 13's and three under 11's (two "hardball" and one "soft") Battling weekly for numbers, it was decided to remove the second under 17 team part way into the season.

The building of our training facility – 6 quality batting nets with a fully laid covering for bowling and fielding drills was completed soon after daylight savings kicked in, allowing for improved training sessions being conducted. This facility is the envy of all teams that saw it, and two Association Representative teams used it as a training base as well.

Our on field performances were varied, we must wish for success for our under 15 and 13 / 11 teams in their Grand Finals this weekend. The 17's struggled for consistency, while the Red and Black 13's both improved throughout the season although not threatening for finals action. The under 11 teams have all enjoyed learning the game from some senior legends – Ray Buckett, Peter Webb and Ian Jongen. The skills of all the juniors have continued to improve as the season progressed.

Knox Gardens cricket club is particularly indebted to Dave Hancock, our Junior Development guru. Not only did Dave once again run his highly successful Milo programme on a Friday night, he also conducted an eight week development programme for girls on Thursday nights in conjunction with Cricket Victoria. Having some time on his hands following this, playing on Saturday arvo's in the 4ths and every second Sunday in the Vets, Dave also took on the role as coach of the under 13 blacks and the Associations under 14 Representative team. Somehow Dave also has a life outside of cricket, regularly wooing his wife onto the dance floor for a Tuesday night foxtrot, and managed to marry off one of his offspring during cricket season. Dave, I am in awe of your energy and passion and hope everyone who reads this appreciates what you do and thanks you for your dedication to improving the Knox Gardens junior cricketers.

This season saw an increased presence in Representative cricket with myself managing the FTGDCA Mitchell Shield (under 12) team and Dave Hancock and Ray McInerney coaching and managing the FTGDCA Russell Allen (under 14) team. I should also mention that Bill Leane once again coached the Broadmeadows Hatch (under 15) team to the final of their competition with his boys somehow snatching defeat from the jaws of victory. But it's not about us as coaches, it's about the boys who play at this higher level. Congratulations to Wayne McInerney (17's when District commitments allow) playing for Outer East Eagles in the under 18 carnival, Michael Hutchins (17's) who represented FTGDCA in the under 16 carnival, Rob Howes (15's) playing for Bayswater and Ash Hawkes (15's) playing for Malvern, both in the Sub District RM Hatch carnival. From the under 13's, Scott McInerney represented the FTGDCA in the Russell Allen Shield (u/14) Jayden Hawkes and Josh Wylde in the Mitchell Shield (u/12) and Mitchell Tsirtsikos in the Josh Brown Plate (also u/12) Additional congratulations to Jayden, Josh and myself for winning the

KNOX GARDENS CRICKET CLUB

Mitchell Cup – the first FTGDCA team to do so. I should also add that at the time of going to print, Mitchell T has progressed to stage two in the selection process for the Primary Schools State team, for the national carnival to be held in Darwin in June.

Once again my major disappointment for the season was the lack of junior parent support at club functions. Not just the clubs major functions, but also the regular awards nights and even the Christmas breakup. As was said in last years report, and mentioned several times during the current season, running a club of our size and providing facilities that are the envy of all other clubs, is a costly exercise. Unfortunately it appears necessary to increase our fees for next season. Please consider that we will have the best ground, function room and training facility in the area and work with us to provide a social environment for our club to prosper in.

We have been faced with some tough times this season that most of you would not be aware of, but we are committed to providing the best possible opportunities for our junior cricketers to develop whilst enjoying being with their mates. So going forwards, we expect to maintain our current numbers for the 2008 / 09 season and continue to provide a pathway for improvement for all our players.

2007/2008 SEASON IN REVIEW

KNOX GARDENS CRICKET CLUB

Senior Coaches Report

My first season as coach of the Knox Gardens Falcons has come to a close and the roller coaster ride has come to an end.

Firstly to all those in the captains Travis, Jason, Rhys, Mark and Simon thank you for your support during the 2007/08 season as well as Ray Borg for his help on Tuesday and Thursday nights.

The year began with pre season at Maddocks in late August and whilst we had a steady turnout over the following weeks, consistency in player attendance became an issue. As we all know, having a committed pre season is a vital step in any tilt at end of season glory. We had a varied program this year from the themed net session to pool and boxing workouts.

Our final pre season hit outs came in the form of practice matches against Bently (Sub District), Ringwood (District) and Knoxfield (FTGDA), and gave us all a good idea of where we were at as far as preparation and also what we could expect in the coming rounds.

The Season began with a bang in round 1 with 4 wins and so it come crashing down to earth in round 2 with only 2. This mixed form continued on to Xmas with 27/10/08 being of note as the only week end that all 5 sides came home with a win. The 5ths did have a forfeit on that day, however still technically a clean sweep. Unfortunately the only one for the year.

Tuesday and Thursday training followed the same trend as pre season with numbers up, but player consistency the same. Training consisted of themed session in line with the training plan aimed at achieving our core objectives.

By mid November, we had use of the new net facilities that we all agree are the best in the competition and which also enhanced our ability to get the most out of each session.

So at Xmas we had the 1st in touch with the top four, 2nds still in with a chance of making finals, 3rds eyeing of a top spot, 4ths well in entrenched in the 4 and the 5ths unbeatable. This despite 2 wash outs in December and a cocktail party scheduled on what turned out to be the coldest December weekend in living memory.

We resumed training again in early Jan, hoping for success, only to stumble in the early rounds to slowly slip out of contention in the all grades except the 3rds and 5ths. The final wash up saw the 1st finish in 6th place some 13 pints adrift from South Belgrave and 14 points behind Auravale. The 2nd finished 6th well outside the top 4. The 3rd came close to securing a top place finish only to be thwarted in the last round by Eildon Park who finished 1st. The 4th eleven finished outside the top 4, and the 5th top the table.

The 3rd semi final defeat against The Basin was a disappointing result for the boys as they are a better side than the score line and having an off day happens, unfortunately it was a final. The 5ths powered as if nothing would stop them only to find themselves in the same boat as the 3rd in having an off day on the biggest day. Still it is an achievement to play finals and both sides should be proud of that.

KNOX GARDENS CRICKET CLUB

On reflection of the past few months, I can honestly say it has been a pleasure being involved with this group, although there were days..... So where to from here???

We all know that we have a young squad full of potential and a senior group with years of experience, and that during this year each individual has put their hand up at some stage, but not consistently.

CONSISTENCY!!!!!!!!!!!!!!!

In Batting, playing the V, building an innings, supporting each other, building units etc

In Bowling, Consistent off stump line, Dot balls etc

In Fielding, support the bowlers, Talking, backing up etc

In Training, practice game situations, attendance, preparation etc

At The Club, Social functions, Thurs/Tue nights, after the game etc

Too move forward we need to be **consistent and persistent** on and off the field. As we know it may not always be convenient, however where do we want this club to be?

A **consistent and persistent** club will always strive for success on and off the field through a **commitment** to each other and themselves.

So let's make a **commitment** next season by ensuring we have a great pre season and that we get the most out of each training session, by ensuring we support each other on and off the field, by ensuring we leave no stone unturned in our preparations and finally by ensuring we make the absolute most of playing on the premier ground in the competition and our biggest advantage.

Lastly I would like to thank Ray Phillips and Adam Wild for the season past. Ray assistance has been invaluable over the year and "Wilba" has been a great support with his efforts up too and on game day are very much appreciated.

Thank you all and see you all again next year

Chris Amos

Senior Coach

KNOX GARDENS CRICKET CLUB

Milo Have-A-Go Report

We have completed our 8th Milo Season. That means I am now playing senior cricket with Boys that I coached in Milo now. This is one of the rewards. Watching the Milo kids grow and become active members of the Knox Gardens Cricket Club as young men/women.

Up front I must thank Jason Buljabasic who helped me each week to run the Have a Go clinics. He captain's our 2nd eleven senior team and also helped coach the Girls 10-16 clinics. We have completed our 2nd year running HAVE A GAME, which has been managed by Richard Taylor. Knox Gardens Cricket Club are fortunate to have Richard because he also plays in our 2nd eleven team, coached the girls 10-16 clinic but most importantly ran our Have a Game sessions. Without these 2 volunteers, the Milo program would not exist.

Thank-you to the Mums and Dads, who came onto the ground and "Had a Go" to help instruct, coordinate and manage the kids.

We registered 41 children. One moved to another clinic closer to home, and a few dropped off after they received the give aways as usual. Some were very young and will register again next season. We had a core group of 20-30 each week. At our presentation evening we had 29 confirmed attendees, 8 declines, a maybe and 2 who I left a message or could not contact. Our program over the years ranges between 20-75 registrations.

The program is staffed 100% by volunteers and is funded by CV and Knox Gardens CC. We only keep \$5 per registration which is used to help pay for the presentation function. Next season will be much improved with access to the top ground with a near perfect grass surface and the pavilion available for shade, access to canteen and facilities.

We all had fun and may it continue next season!

Warm Regards

David Hancock
Milo Coordinator

2007/2008 SEASON IN REVIEW

KNOX GARDENS CRICKET CLUB

1st XI

2008 year got off to a strong start when we played Eildon Park away in round. (One day match) After winning the toss, we made 7/156 off 40 overs with J.MACKINNON top scoring with 48. Eildon Park were all out for 56, J.THORPE having a day out with 3/10. Easy win.

The following week was away again at Aura Vale. With our stocks depleted, Aura Vale scrambled 212 runs from their 80 overs. Newcomer I.JONGEN bowled tirelessly for 4/48. Our run chase began and ended abruptly, all out for 104. Poor batting performance.

Round 3 at Johnson Park was to be Rhys MARGETS final first XI match following a magnificent career. The Parkers won the toss and batted, all out for 128. A. WILD bagging his first 5 wicket haul of many for the season. The Falcons made the runs comfortably with T. MULDER 49* and R. MARGET 25 and 3/30 in Johnson Parks 2nd dig. A good win.

Our first home match vs Knox on the bottom ground again proved to be fruitful. S. HETTIARACHIAGE took us off with a flying 71. Our tail wagged and we ended up all out for 202. We then skittled Knox for 91 – T. MULDER 4/25, then sent Knox back in. We narrowly missed outright points, rolling Knox again for 120. J. BUTCHER 5/37.

Round 5 vs Lysterfield was the catalyst for a string of poor batting performances for our side. We won the toss and batted – all out 117 with J.CONDON 53 and J.PHILLIPS 35 scoring the bulk of our runs. The Beavers cruised to victory with 277 – A. WILD 5/70.

Home to Ferntree Gully ended up a wash out. FTG all out 194 – J. THORPE 3/29 and A. WILD 3/46. Knox Gardens 2/34.

Round 8 vs in form side Footballers was another dismal batting performance – We won the toss and were all out for 73 off 28 overs. Footballers passed us 9/147 dec, (A. WILD 3/45 & M. YOUNG 2/17) and beat us outright when they yet again rolled us for 75.

Round 7 (one day game vs Upwey) was rescheduled for the following day and we put on a reasonable total of 150 from 45 overs J.PHILLIPS 30. Unfortunately the ball didn't hold up during the wet afternoon, and Upwey made the runs off 39 overs. J. THORPE took early wickets with 3/29.

Round 9 at home vs South Belgrave was a "make or break" game for us, and after a slow start we reeled in their batsmen for 180. (T.MULDER 5/31 & A. WILD 4/45) Once again our batting lacked substance – all out for 96 (J. PHILLIPS 30) We batted again and got our noses in front 5/156 dec. before the South BELGRAVE bats got over the line for an outright win to them.

Away vs the Basin we started reasonably by putting 187 runs on the board (T. MULDER 46. J. BUTCHER 45) but was dominated by A. WILD with the ball taking 6/40 and knocking over the Basin for 116. During our 2nd innings we saw our little master S. HETTIARACHIAGE smash 100* and notably supported by S. TAYLOR 34*.

The final match at home vs Knoxfield saw Adam WILD taking off where he left off from the previous match, blasting them out for 79 with figures of 6/32. We then achieved a record score performance thanks to late inclusion Aaron BAILEY with 72 and a magnificent unbeaten century to Josh GREGORY with 110*.

Surprisingly to the rest of his team mates (but not to him) J. THORPE belted 63 at the end of the innings. All in all a good finish to the year, however not without the disappointment of having no bearing in the finals.

Travis MULDER
1st XI Captain

KNOX GARDENS CRICKET CLUB

2nd XI

Despite the lack of victories there were many highlights throughout season 2007/08. The cricket was harder and more testing, but every member on the team stood up proudly and made a fist of it. And I firmly believe that each accolade a player receive for their performances this season makes them go harder for next year.

Batting highlights include Ben McLean thoroughly pounding Belgrave's bowlers on his way to 102, Sean Reid wielded his wand of willow, pumping 76* at Footballers, Ian Jongen creamed the opposition for 69* and Jason Buljubasic stroked his way to 64 against Mountain Gate. Matt Van Lith displayed pure class in the final round, as he spanked off side shots at will on his way to 56.

Ray Borg was once again at his reliable best, guiding the side through many tough times with sensible batting. A true fan of the picket fence, Ramone ended the season with less boundaries than a 1960's swinger's party.

Daine Vernon returned for another season, and didn't waste any time showing us why he came.. In the face of quality opposition, his patience and determination as an opener impressed greatly.

On the bowling side of things, Richard Taylor sparkled once again, producing a couple of fantastic balls every game, which surely caused batsman to toss and turn in their sleep. The rest of the load was shared between Matt Van Lith, Ian Jongen, and Stuart Place who all performed fantastically when required. Nath Hale pulled one out of the box against Upper Gully snatching 5-44 in a wonderful display of attacking spin bowling.

Having played competitive cricket against the better sides in the grade, it is dissapointing to not have finished inside the top four. Losing a few close games early on in the season had us behind the eight ball right from the start, and it would prove too great a gap to bridge, resulting in the side finishing 6th.

Looking towards next season, the only words that come to mind are

"Sir, I demand satisfaction."

Jason Buljubasic
2nd XI Captain

3rd XI

Finished Home & Away season in third spot
Beaten in Semi Final by The Basin

Another relatively good season was had this year by the 3rd eleven, with 6 wins, 2 draws and 3 loses. Unfortunately once again we weren't quite good enough in the semi and were beaten by a better side on the day.

The season got off to a good start with four straight wins although one was by just one run and one was a forfeit, we then dropped a game before Christmas and had two washout draws. A slow start after the break with many regulars having an extended holiday the side suffered a outright loss. The side bounced back with outright win the following week which helped cement a spot high in the ladder, a good win against a side in the four in the second last round meant we would play off in the final round for top spot and a home final. In a close game we lost to Eildon park which meant we would finish the season in third.

The season had many highs for the players in the thirds with Zane Thomas & Adrian Zandt making the first tons both in much needed circumstances and on both occasion the side got up and won. Peter Webb was running hot before Christmas with three consecutive 50s before getting injured and missing the remainder of the season. John Mills back in the thirds after a stint in the twos made two scores in the nineties (99 and 90) and finally for the second year in a row in the thirds the club record was broken with Greg Crook taking 8/24 unfortunately for him the other side only had ten players and he couldn't be the first player at Knox to take nine..

The season saw many highlights with both the bat and ball these included:

Round 3: Scott Wilson 62

Round 4: Peter Webb 52

Round 5: Adrian Zandt 76, Peter Webb 56

Round 6: John Mills 99, Peter Webb 72

Round 8: Blake Lines 5/55

Round 9: Zane Thomas 114, Greg Crook 8/24 (club record)

Round 10: Adrian Zandt 124, John Mills 68, Adrian Zandt 5/100

Round 11: John Mills 90, Zane Thomas 45

The Thirds will again be stronger next season and hopefully go a step further, I would like to thank all of the team for their help during the year and hope they all return next year.

Rhys Thomas
3rd XI Captain

KNOX GARDENS CRICKET CLUB

4th XI

Well, if nothing else, it was an interesting season for the KGCC 4th XI. It started with a thrilling 1 run victory in the first of 4 scheduled matches against what must now be our traditional rivals Knoxfield, in a game that the saw our brave and noble captain relegated to spectator while out on the pitch umpiring.

Our barnstorming start to the season wasn't even affected by the captain's return to playing status, with the team quickly notching up 3 consecutive victories, with runs, retirements and wickets all over the shop, including 50's from "The Good" Hoggett, "The Old" Hancock, "One Of The Many" McKinnon and "Didn't Play Enough Games in the 4's to Get a Real Nickname" Lepore, and wickets from Jack "Where'd He Go" Milne, "Nice Tights" Morello and "Severe Risk Of Future Neck Pain" Hawkes. Sadly, some signs of the batting fragility that would plague our season emerged after this early success, and our slow but seemingly inexorable slide down the ladder, when it was sporadically updated, began.

It would be an incomplete report that failed to mention the fun we had with the association this season, which saw fixtures announced week by week, sometimes as early as the Wednesday before the game, and seemingly selected by the finest of blind monkey assisted draw-creation technologies, with the Knox Gardens v Knoxfield Commemorative Series and the HaHaHa You'll Never Make Finals With These Last Two Games conclusion. And keeping track of our progress was a simple and efficient delight with results and ladders updated online....occasionally. Something to do with lunar cycles we believe.

But games are won and lost on the ground...and the scorebook, as we learned to our cost, with two tight games won by the KGCC 4th XI, only to be deemed losses due to scorebook errors. It is purely coincidental, and mentioned only in the interests of accurate and factual reporting, not in any way intended to cast blame or point any fingers, that these two games were captained by the aforementioned older Hancock in the absence of the younger and seemingly more mathematically astute Hancock.

On that subject, I took the role of captain of the proud fighting KGCC 4th XI Falconettes very seriously this season, playing in at least half the games. In an unrelated matter, I have been banned by the club from ever cycling again. Or getting married. And my plans for a bicycle-based marriage ceremony were right out of the question!

At the risk of dwelling on the serious for a fraction of a second, the player's of the 4's witnessed the early stages in the development of some juniors who should feature strongly in our clubs future. Players such as Robbie "I'm Very Serious About Cricket" Howes, Ash "Can Never Have Too Many Nicknames With Hair Like This" Hawkes, Drew "Err..." Withers, Ben "Already Has a Nickname" Morello and Bart "Still The Good" Hoggett all put forward strong arguments for promotion next season, and in many cases impressed with skill in areas not recognised as their strengths. Special mention has to go to fine last wicket batting partnership between Hawkes and Morello to win a game that kept us in the finals chase (at the time ☺).

And the old timer's did their bit too, with reliable performances (that's a compliment, really!) from Dave "The Gazelle" Thomas, Barry "Likes It" Wild and "Old Man" Hancock. A bit of eye surgery by Steve "I Can See Clearly Now" Agius has us all considering a trip to the optometrist, with catches and runs following swiftly, although the chiropractor was placed on call the stunning cameo of Chris "Bestest Coach in the World" Amos and Ray "My Wife Is Going to Kill Me If This Game Doesn't First" Phillips.

So all in all, we were all disappointed not to make finals after such a promising start, but plenty of promise for the future regardless. Have a good break all, try not to get hit by any cars...I will (try not to).

Mark "It's a miracle he's co-ordinated enough to even walk by himself" Hancock

4th XI Captain

KNOX GARDENS CRICKET CLUB

5th XI

Knox Gardens CC for the first time in a few years had a 5th eleven. We approached Bill during the winter months and got the go ahead to start forming our super team. Many of the blokes were semi-committed not willing to give me their entire summer but able to chip in a few games here and there. Once the season got under way and the guys got the taste of winning we soon had our eleven regulars.

Many people witnessed our demise on Grand Final day but only a few managed to see what we were really capable of throughout the season. Our bowling attack was our strength with Scott Walker and myself taking the new ball and then having the luxury of Topline 1st XI bowling average winner Daniel Adams rolling the arm over. Un-playable in this grade of cricket. We also had Dovey Hay and Michael Hoare bowling some great spells throughout the year with "Horny" a future 1st XI player of the club. Gav Harding and Rory Higgins also trundled in when required.

Our batting was nothing to be sneezed at either with a plethora of 50's scored by players throughout the year. Tristan Wilkinson & Dan McKinnon relished the opportunity taking the opening bowlers apart. Many games we had won batting first after 10 overs because our openers had knocked the life out of the attack leaving the middle order to cash in on some very, very ordinary bowling. Gav Harding and "Horny" were also solid in the top order giving the sloggers a chance to have a crack. Towards the end of the season we were regularly hitting scores of 250+, off less than 40 overs.

Our fielding efforts throughout the year were extraordinary considering the shocking grounds we played on and I have to use this opportunity to say how well Aaron Harris and Rory Higgins performed. Given their limited opportunities in the batting order they relished the opportunity and seized the moments to be involved in the game. These guys were the heart and souls of the team and optimised what we were all about.

In closing I can only speak for myself when I say this year was the most enjoyable season I have had at Knox. The guys I played with supported me and each other and it was a pleasure to spend my Saturday afternoon's with everyone of you. It was a shame we didn't win the granny but now the dust has settled I don't think it was ever about that.

Cheers fellas,

Sime.

KNOX GARDENS CRICKET CLUB

Under 17's

The season started with KGCC fielding 2 U17 teams for the upcoming year. However due to lack of numbers we decided after 2 or 3 rounds to combine the sides and play 1 team in the top division for the season. It is always disappointing and not the clubs philosophy to tell players they wouldn't be playing the remainder of the season, and in hindsight both Bill Leane and I would have retained some players over others.

The side was certainly competitive all year, however lapses in concentration during critical stages of games cost us badly, and in cricket you only get one chance.

Our batsmen in the top order performed well most of the season, with Scott Wilson, Ryan Metherell and Corne Mosert consistently making runs, while our other batsmen all chimed in during the year but not as consistently as they or the side would want.

Our bowling and fielding was at times very good and at times very bad, and probably was the difference in our finishing 3rd bottom about 3 games off finals. I thought Drew Withers bowled well all year and Mitch Gregory, Daniel and Bart Hoggett all bowled well at times.

The highlight of the year was winning the last two games, the last one in a nail biter, giving the team a good positive end to the year. Many players improved over the year with extra effort and training, this is all any coach can ask, and hopefully correct techniques and attitude can be taken into the rest of your cricket careers.

For many of the team, that was the end of their junior cricket life, and they now enter senior cricket. For many this is not daunting as they have played senior cricket throughout the years and performed well.

On behalf of Bill and myself, we thank the players and our support team, Gary Withers and Alan Milne who were there every week, thanks guys, it was a great support having you around. To Ross Gregory who helped out when I was away, especially the last game, it proved what an inspirational coach you are Ross, and should be retained as junior co-ordinator for many seasons to come.

To conclude I thank the boys for the year, I really did enjoy it although at times I may have looked as if I was going to explode. I wish you well for next year whether juniors or senior cricket.

Lastly, training is fundamental to improve your sport, regardless of what sport that is, and cricket is no different. I urge all players to 1stly train, and train as you want to play, because you will play as you train.

Good luck for 2008/2009 and thanks for the year guys.

Lee Metherell
U/17 Coach

Under 15's

Coach: Daine Vernon
Captain: Ben Morello
Team Manager: Greg Howes

WINS: EIGHT
LOSSES: ONE

This year was a good challenge for me having a completely different team to coach. We started off the year with 15 players to choose from with some of the boys playing in the U/17's at the start of the year instead of missing a game.

We ended up winning our first couple of games against some pretty average opposition with some handy batting displays from Lincoln and Scott and bowled and fielded well enough.

Since then the boys really played well as a team with lots of improvements from some of the younger more inexperienced players like Sam, Navin and Cody. Our bowling and fielding has really struggled at times but there have been some good performances with Ash 'Wild Thing' Hawkes taking good bags of wickets including a hat trick even though the batsmen were terrible. Ben has at times led the way with the fielding with some crucial run outs and important catches. But Rob Howes has been in a class of his own this year terrorising attacks and holding our innings together week after week. To hit over 500 runs in one year when you have to retire at fifty is a fantastic effort.

For probably the youngest team in our division to finish the year 2nd on the ladder only losing one game for the year is a great result. Players like Yannic, Liam, Jono and Scott have some unbelievable talent and should enjoy more success in years to come if they are prepared to work a bit harder on their games. I really look forward to seeing all these kids develop over the years and hopefully turn into great cricketers

Thanks to all the helpers throughout the year like all the parents for getting the kids to training and the matches on time and Don and Adrian for umpiring at times and also Greg for scoring for the whole season, keeping everything organized and even being my alarm clock on one occasion.

Daine Vernon

KNOX GARDENS CRICKET CLUB

Under 13 1's

The U13 1's had a tremendous year as they reached the grand final but unfortunately stumbled at the final hurdle, which I think nerves had a bit to do with the result, as well as playing a side that had been undefeated all year. In a year which I told the kids at the beginning not to worry about the score but to work on their techniques in both batting and bowling, so that they are better prepared as they progress through their careers. I was very impressed with the application the kids showed in listening and learning, for which they were rewarded with a grand final appearance and virtually every player scoring their highest score with the bat. After the semi final match it was tremendous to have people approach me after the game, including the neutral umpire, saying they had never seen kids this age being able to drive the ball through the lines so technically correct with such high elbow actions. This shows the improvement that was made by each player throughout the season and they can all be very proud of their achievements.

Even though it was a great team effort all year I must mention some individual efforts for the season. Scotty McInerney led by example with both bat and ball. He had an outstanding season, in particular his batting, as he amassed an incredible 431 runs @ 143.67, with a highest score of 74*. Dylan Wylde also had a great year with bat and ball, scoring 353 runs @ 58.83, with a highest score of 96*. Jayden Hawkes showed a marked improvement with both bat and ball and finished the season with a couple of retirements with the bat and 17 wickets @ 11.47, with a best performance of 4/9.

We had 4 association representative players over Christmas including Scotty McInerney U14's Hatch, Jayden Hawkes and Josh Wylde U12's Mitchell Shield which won the Mitchell Cup, and Mitchell Tsirtsikos U12's Josh Browne Plate. Mitchell also made it to round 2 of the Victorian Primary School Cricket Assoc. try outs.

All in all it was a very enjoyable season and hopefully all the kids come back next season, keep on improving and maybe go one better.

Joe De Venuto
U/13 1's Coach

KNOX GARDENS CRICKET CLUB

Under 13 2 Red

The under 13 red team had a tough year this year playing in the second division with a lot of bottom age players. Although only winning two games for the year the team showed glimpses of what they are capable of and the future looks bright for all players in the team.

Rd 1 was one of the highlights of the season although I didn't realise it till the end of the season. Playing with only seven players in a one-day match we were on the back foot from the start, winning the toss we went in to bat and managed to bat the overs for a score of 86 with Mitchell Morris retiring on 21*. We then went on the field and bowled extremely well (Alex Syrros 3 for 11 off 4), when you only have seven players it only leaves five fielders so we managed to get an opposition sub fielder. It came down to the last over and surprisingly the sub fielder managed to misfield the ball and we went down by two runs. The reason I believe this to be a highlight was the fact we only had seven players and only two had played competitive cricket before also the team we played has been undefeated all season.

Mitchell Morris one of our second year players dominated with the bat this season amassing a lot of runs batting anywhere from 1 to 7 and retiring on several occasions. A highlight was his first six in round one and the fifty not in the final round. Also his slip fielding is of very high standard managing to take a few catches, sometimes even when he was not paying attention.

Damian Watson was our number one keeper for the season and he performed very well he was also a handy batsman and would bat anywhere in the order.

Mitchell Tsirtsikos represented the club playing over the Christmas break in the association rep side and there was considerable improvement in his confidence when he returned. Mitchell bowled well with the new ball this year and his batting was also very good although he did get himself out a lot once he had done all the hard work and got to 10. Mitchell will be a player to watch in coming years.

Mitchell Nevin, Matt Goodings, Alex Syrros, and Sam Anglicas are all very keen cricketers and have shown improvement throughout the year, Mitchell Nevin never backed down from a challenge and was always willing to open the batting when asked. Matthew played some great shots during the year and chipped in with some handy wickets. Sam hit the ball the hard with a top score of 27 not out and bowled well with the new ball towards the end of the season, he can bowl the ball quite quick and I look forward to seeing him bowl next season. Alex also improved a lot through out the year he consistently made scores in the high teens and took wickets a various stages.

Ben Woodbridge in his first season of cricket was very willing to learn and try to improve his game, although he struggled with the bat his bowling was a standout with three rounds to go he was the sides leading wicket taker, taking two wicket hauls in three games often getting other sides top order batsman.

Zach Flintoff the highest paid player in the team performed well with both the bat and ball at various stages during the season, he has a big future and hopefully he plays with knox for years to come.

KNOX GARDENS CRICKET CLUB

Nick Jankovskis and Jackson Ealey are both very good all round cricketers, Nick with the new ball and Jackson with his medium or his leg spin, A highlight was Nicks 41* not out in the final round were he was whipping the ball from outside off stump down past fine leg for four. A highlight for me was when Jackson started to bowl his leg spin late in the season, he can turn a bowl a long way and with a bit a practise will be a very dangerous bowler.

Braeden Barlow in his first year of cricket showed signs of becoming an excellent cricketer his technique is very good and his bowling is very consistent. Braedon could bat any where in the order and come on to bowl at any stage of the game.

Although not many games were won an enjoyable year was had by all and I hope to see all the guys around the club for years to come,

Thanks to Tim and all of the parents for helping throughout the season, I have really enjoyed coaching this team and I'm sure kids have enjoyed having your support.

Rhys Thomas

KNOX GARDENS CRICKET CLUB

Under 13 Black

This team was always a challenge as we only had 11 players on about 4-5 Saturdays. We won one game in round 2 against Monbulk. We did not play them again but played the top teams twice. Our batting was weak where any in-swinging ball with a line hitting the stumps would invariably be out. Joel Richmond and Niraj DeSilva were consistent batters as the stats show.

Grace Mills joined the team before Christmas and showed great application to our game and to team spirit. She attended every training session she could and coaxed her brother Nick to join the team in the New Year. Without the Mills we would not have fielded a team on some Saturdays. Nick proved to be wicket taker, netting a wicket in every 4 overs.

We bowled more wides and no balls than any other team, and bowled less balls at the stumps. Fielding less than eleven players prevented me from “coaching” the team on how to change the momentum of a game by restricting runs with changed field placing’s to increase pressure on a “in form” batsman. We would have more options in bowling changes to suit the situation and we would probably take more catches with more fieldsmen. Most games we had to be conservative with our batting to ensure we used up the overs. With eleven players we could have tried to learn to play more shots to have retired batsmen batting at the end of the innings again. Tactics would have become more relevant to the team members.

Our team comprised many under age children so I expect they will all benefit from this season and be better cricketer’s next year when they will play teams in their proper age bracket. A winter of growth and maturity makes a huge difference.

I let the team down by not arriving to training sessions and many game days in a timely manner. I over extended myself with too many roles at the Club. The biggest was taking on coaching the FTGDCA u14 representative team. Anthony Davies was invited to play in the last game against Yarra Valley because his pace bowling in the last 2 rounds was very impressive and I had a few regular players unavailable. As it turned out the game was forfeited by Yarra Valley and Anthony played with Scott McInerney in a trial game. Both players acquitted themselves very well.

All players have skills to develop. I hope they all enjoyed their season with me. My “Coaches Award” goes to Grace Mills. She showed courage whilst batting, protecting the stumps and bowled very well. Her catching was extremely solid and she always listened to my instructions. Our team welcomed her with enthusiasm. Grace with her brother helped our team to become more competitive.

I enjoyed coaching this team and watching each member grow over the season. Good luck for next season! Special thanks to Nirmal DeSilva for scoring most of the season and helping out on the ground.

KNOX GARDENS CRICKET CLUB

Under 11 Hardball (Black)

The Under 11 Hardball Black team had a very good year. Although this grade of cricket is non-competitive and there are no ladders etc the Black team did extremely well. A review of the score book shows that the only games we could not win was against Eildon Park who beat us twice and the Knox Gardens Red Team who beat us the first time with the second fixture finishing in a tie.

These first years of hardball cricket is really about learning the basic skills of the game and continuing to practice and improve those skills. I think the Black team achieved this goal and I am sure that all of the boys are better cricketers now than they were at the start of the year. A number of the boys improved dramatically as the year went on their confidence grew.

There is a lot of talent in both of the Under 11 hardball teams and hopefully all or most of these boys will progress through juniors together and become very good senior cricketers for the club.

A comment about each of the boys in the team as follows:

Adam Wylde

Adam may be small in stature but he really can play and has an excellent all round game. Adam got a lot of wickets with his well directed yorkers, numerous run-outs and catches with his top-class fielding and consistently made runs each innings for very few outs. Known for his reverse sweep in the nets. Will be a top-shelf all-rounder when he gets a bit bigger and stronger.

Brad Wylde

Like his younger brother Brad also has an excellent all round game and plenty of natural talent. Brad is a top-class batsman who rarely misses out on the chance to put a bad ball away and hit a number of sixes in the last game against Upwey. Brad can bowl pace and spin very well and was a regular wicket taker. His leg spinners land in the right spot and turn and he can bowl a good wrong-un already. Brad is also a brilliant all round fieldsman.

Corey Poke

Another player with an enormous amount of natural talent. Corey is an aggressive big hitting batsman and hit numerous fours and a few sixes throughout the year. Corey bowls very fast and usually well directed outswingers and took a lot of wickets with his pace. Corey is also an excellent fieldsman and has an incredibly powerful throwing arm. Well done on an excellent year Corey.

Lachlan Stuckey

This was Lachie's first year of cricket and he really excelled. He already has a good cricket brain and a lot of ability to go with it. Lachie batted and bowled very well throughout the season and is a top-class fieldsman. An excellent effort for a first year player well done Lachie, you should be very proud of yourself.

Sam Bakker

Sam also had a really solid year and has a good all round game. Sam hit a lot of boundaries and rarely misses out on anything loose down the leg side. He just needs a little bit of work on his off-side shots (although they are still quite good particularly when he gets set) and will be a top

KNOX GARDENS CRICKET CLUB

batsman. Sam's bowling is very good and he can generate a lot of pace at times, he finished the year with a great performance against Upwey where he just missed out on getting a hat trick and hit a memorable six over cover (you don't see that every day in U11). Sam is also an excellent fieldsman and took one or two ripper catches throughout the year.

Sam Knight

Sam improved his game throughout the year and finished with a great performance against Upwey as well. Sam's bowling is very reliable and consistent and his batting improved with each innings. Well done Sam on a good year and I am sure you will continue to improve even further next year.

Patrick Hickey

Patrick was the most improved player in the team. It was his first year of cricket and the difference from the start of the year to the end of the year were poles apart. Patrick is now a solid and very correct batsman and finished the year bowling consistently well in the last few games. Patrick is also a great team player. Well done Patrick, you will be a great player if you continue to work at your game over the next few years.

Gerard Jongen

Gerard also did very well for his first year of cricket. Gerard is very enthusiastic about his cricket and also improved greatly throughout the year. Gerard bowled pretty well without a lot of luck and developed his batting. He is very strong through the off-side with his cover drives, square drives and cut shots. Gerard also took quite a liking to wicket keeping and did very well in this area and is keen to pursue his wicket keeping further.

Jake Goebel

Jake was another great improver throughout the year. His bowling is solid (apart from the odd errant delivery) and he got a few wickets throughout the year. Jake needs to continue to work on his batting but there were good signs of improvement towards the end of the year. The four he hit against Mountain Gate was highlight. Jake is also a very popular team player, well done Jake.

David Quinn

David is a damaging left handed batsman and is known for his signature pull shot. David hit a lot of fours throughout the year from this shot and a lot of them would have been fours even on a full sized ground. He sent a number of balls into the ti tree at Llewellyn. When he develops his off-side shots further he will be a fine all round batsman and has a lot of potential. David was also a solid contributor with the ball and in the field.

Tyler Grimston

Tyler had a very good year also and has a lot of potential with both bat and ball. Tyler is very adept at placing the ball between the fielders and taking short singles to keep the strike rotating but he can also despatch the bad ball to the boundary. Tyler's bowling is good and he bowled a very quick over with the new ball against Eildon Park. He bowls from very wide on the crease and this is an area he will need to work on in the coming years. Well done Tyler on a great year.

KNOX GARDENS CRICKET CLUB

Jason Coad

Jason was another great improver throughout the year and finished the year with a couple of very hard hitting and aggressive innings with the bat. His last three innings in particular were excellent. Jason also finished the year bowling off spinners and shows some potential with his slinging type bowling action. I think the confidence that Jason has gained with the bat in particular will set him up for a really good year next year.

Kisal Kirinde

Kisal played the first six games with us before “defecting” to Peter’s red team. Kisal shows a lot of ability with the bat in particular and should make an excellent batsman in the future.

All in all a very enjoyable year and it is very satisfying to see the improvement in each of the boys as the year wore on. All of the boys seem to enjoy their cricket and got on very well together. They all have a sense of fair play and were supportive of their team mates. Well done boys on an excellent year.

I would also like to thank all of the parents who helped out throughout the year particularly Greg Bakker (scoring and umpiring), Alan Quin (scoring), Chris Stuckey (scoring and general helping) and John Goebel. Your help is much appreciated.

Ian Jongen

Coach – U11 Hardball (Black)

KNOX GARDENS CRICKET CLUB

Under 11 Hardball (Red)

Again we adopted a policy of splitting the players who had a year's experience of Hardball with the new players and trying to have two fairly evenly matched teams. My congratulations go to the experienced players for the way they made the new players feel welcome. Cricket is a game for the whole team and it was great to watch them all blend together so well. It was great to watch the boy's skill base develop over the season and some of the cricket played after the festive break especially the game against Knox Gardens Black being the most exciting.

The batting of players like Dilhan, Joshua, Jarrod, Ragulan, Aaron and Lachlan shows great promise. Todd and Liam Woods worked hard on their techniques and showed strong improvement. In typical Knox Gardens tradition, these boys are already showing our typical strength and ability in bowling. The likes of Nipuna, Joshua, Dilhan, Lachlan, Aaron and Jarrod have classical actions that are a great to watch, and the likes of Tyrall, Kisal and Liam Carlin improved all year and were all bowling very well by seasons end.

As always we concentrate hard on our catching and fielding. Todd is one of the best catches we saw in the association, but he always had good support from the likes of Dilhan, Aaron, Liam W, Joshua, Nipuna and Jarrond. A special well done to Liam C. for a huge improvement in his fielding and catching and especially for his and Ragulan's hard work in wicket keeping. Tyrall and Kisal never stopped giving 110% and Liam Woods was perhaps the biggest improver over the season.

I would like to thank Ian Jongen, and Greg Bakker for their help with training and umpiring during the season and especially to those who helped while I was away. Our best wishes go to all the boys who move onto U13's next year, and finally, I would like to congratulate the boys on the discipline and good manors they displayed throughout the year, they were a credit to the club, and especially to their families, well done.

Peter Webb
Under 11 Red Coach

KNOX GARDENS CRICKET CLUB

Vets 1's

We started our 7th season in 1st grade competition, but after losing 8 of our original squad and struggling to field a side for the 1st game of the year, we dropped down to the 3rd division for the year.

We recruited a number of new players this season which we hope will continue on, and look forward to increasing our numbers for 2008/2009. The year was one of mixed results, we ended up top of the ladder, one the 1st semi, but lost in the Grand Final to a better side on the day to finish runners up.

The Team

R Borg
G Maestri
T Pahi
R Matchett
R Gregory
R Evans
L Metherell (C)
W Fortuin
J Homfray
R Ralph
J Magill
T Fischer

Veterans cricket is all about having fun, and for this we again excelled.

While awards and averages are not presented in veterans, some of the highlights were:

- Ross Gregory's "Bradmanesk" average of 95.3 for the year – not bad given you must retire at 40 runs.
- A total of 23 strained muscle related injuries during games
- Ray Matchett's various excuses on the day why he couldn't play
- Several great catches including the captains match winner in round 9 and Ross Gregory's in the GF – to my knowledge no other catches rated a mention.
- An old bloke from St Johns Tecoma that while trying to catch a pull shot actually nearly had his finger severed, and then once looked at said – "hospital, no tie a hanky around it I'll be right"
- Ray Borg for playing all year with only one leg – for that matter all his career.

As we end the year and consider whether our bodies can go around one more time, a big thanks to the players in the 1st and 2nd Veterans for the year and allowing us to relive some memories of yester year.

Hope to see all of you back next season!

Lee Metherell

KNOX GARDENS CRICKET CLUB

Vets 2's Season Review

Well, from an indifferent start to the season where we had 3 Vets teams and not enough players to fill them, we ended up with 21 players representing the Vets 2 team during the season that, unfortunately, culminated in a close loss in the Semi-Final. Superior experience for the FTG team got them over the line chasing a competitive total of 176. It was a game that we should have won with 0/70 off 14 overs and an early wicket and tight bowling when fielding.

While we did not enjoy the ultimate success, the season was full of good performances and showed plenty of promise for the future. We unearthed a very good wicket keeper in Greg L'Huillier who enabled Dave Hancock to concentrate on his batting which got us off to many good starts, mostly in partnership with Greg Bakker. We also unearthed a classy leg spinner in Doug David who bowled with tremendous skill but without much luck. All-rounders came to the fore with Vin L'Huillier, Tony Mollica, Cameron Allen, Andrew Corbett and the ever reliable Sedick Votersen contributing both runs and wickets during the season.

Phil Treloar was more of a batsman than an allrounder this season with plenty of quick runs in pretty much all of his innings, with a golden duck driving a catch straight to mid-off into the gale force wind at Knoxfield being a notable exception!! Unfortunately, he copped some stick when bowling in the same game that put his bowling aspirations back a tad!! Phil also took a great reflex catch late in the season to cap off another great year.

Rob Cottle again stood out as the premier bowler that no side could master. Early wickets and/or economical spells helped to put the pressure on the opposition allowing us to, on many occasions, choke them into submission!

Cameo appearances from David Ray, Steve Arbuckle, Lindsay McKay and Dave Thomas throughout the season, were unfortunately not rewarded with further opportunities. In fact, without David's 29 opening the batting against UFTG in Rd 7, the game would have been a loss rather than a tie possibly jeopardising our finals hopes. Similarly, Steve's 39no against FTG in Rd 6, from a total of 116, would have seen us lose rather than win by 1 run. Lindsay took 3/18 including the final 2 wickets in the same game to get us home. After standing aside for a few games so that others could play, Dave Thomas stood up in the last round against Bayswater and devastated their batting line up, bowling into a stiff breeze, taking 3-fer and guaranteeing us a berth in the finals.

We also had some players join us for the odd game with Ray Bucket, David Evans, John Mills and Colin Powerlett all making solid contributions when they were available and when we could "slot" them in. Watching for most of the season from the Medical Rooms was Peter Webb and Arnie Erntzen. With medical miracles and tender loving care, it is hoped they will return fit and firing next year.

So, with the pool of talent we have managed to accumulate throughout this season, we can now look forward to next season for what promises to be another fun, invigorating and (hopefully) successful campaign in season 2008/2009!

Greg Bakker

U/13-2's Red Coaches Award: Mitchell Nevin

KNOX GARDENS CRICKET CLUB

U/13-2's Black Batting: Joel Richmond 147 Runs @ 36.75

U/13-2's Black Bowling: Niraj DeSilva 6 wickets @ 18.6

U/13-2's Black Coaches Award: Grace Mills

U/15's Batting: Robert Howes 486 Runs @ 97.20

U/15's Bowling: Ashley Hawkes 14 Wickets @ 12.57

U/15's Coaches Award: Rahul Mayadunne

U/15's Most Improved: Sam McCarthy

Vets 1st Captains Award: Ray Borg

Vets 2nd Captains Award: Rob Cottle

Individual Awards

1st XI

Sammy Hettiarachchige 100* - **Round 10 vs The Basin**

Josh Gregory 110* - **Round 11 vs Knoxfield**

Adam Wild 6/40 (19.5 Overs) - **Round 10 vs The Basin**

Adam Wild 6/32 (16 Overs) - **Round 11 vs Knoxfield**

2nd XI

John Mills 107* - **Round 2 vs Lysterfield**

Ben McLean 102 - **Round 3 vs Belgrave**

Jason Buljubasic 6/96 (20 Overs) - **Round 10 vs Upper FTG**

3rd XI

Zane Thomas 114 - **Round 9 vs Upwey**

Adrian Zandt 124 - **Round 10 vs Lysterfield**

Greg Crook 8/24 (8.2 Overs) - **Round 9 vs Upwey**

U/15's

Ashley Hawkes Hat Trick - **Round 9 vs The Basin**

Robert Howes 32* - **Round 2 vs Knoxfield**

73* - **Round 3 vs The Basin**

55 - **Round 5 vs Mountain Gate**

51* - **Round 6 vs Eildon Park**

31* - **Round 8 vs Upwey**

100* - **Round 10 vs Eildon Park**

89* - **Round 11 vs Eildon Park**

Scott David 35 - **Round 2 vs Knoxfield**

32* - **Round 8 vs Upwey**

U/13 1's

Scott McInerney 50* - **Round 3 vs Monbulk**

74* - **Round 5 vs Ferntree Gully**

54* - **Round 9 vs Monbulk**

59* - **Round 11 vs Rowville**

KNOX GARDENS CRICKET CLUB

Dylan Wylde	20* - Round 1 vs Rowville
	96* - Round 5 vs Ferntree Gully
	24* - Round 8 vs Lysterfield
	40* - Round 10 vs Upwey
	58* - Round 11 vs Rowville
Josh Wylde	84* - Round 3 vs Monbulk
	40* - Round 4 vs Eildon Park
	42* - Round 11 vs Rowville
Anthony Howes	40* - Round 3 vs Monbulk
Jayden Hawkes	20* - Round 8 vs v. Lysterfield
Ashley Black	20* - Round 8 vs Lysterfield

U/13 2's Red

Mitchell Morris	21* - Round 1 vs Johnson Park
	33* - Round 3 vs Upper Gully
	34* - Round 5 vs Ferntree Gully
	39* - Round 10 vs Mountain Gate
	50* - Round 11 vs Johnson Park
Damien Watson	22* - Round 2 vs Bayswater
Alex Syross	25* - Round 2 vs Bayswater
Mitchell Tsirtsikos	20* - Round 2 vs Bayswater
Mitchell Nevin	31* - Round 5 vs Ferntree Gully
Braedon Barlow	21* - Round 8 vs Upper Gully
Zach Flintoff	20* - Round 8 vs Upper Gully
Nick Jankovskis	40* - Round 11 vs Johnson Park

U/13 2's Black

Joel Richmond	20* - Round 2 vs Monbulk
	34* - Round 4 vs Belgrave
	32* - Round 10 vs Upwey
Thomas Evans	22* - Round 2 vs Monbulk
Niraj DeSilva	21* - Round 2 vs Monbulk
	30* - Round 4 vs Belgrave
	30* - Round 10 vs Upwey
